

Barrett Tenbarge [posts](#) on *The Indianapolis Star's* "Fresh Thoughts" blog about Congressman Louie Gohmert's [tax holiday plan](#), which Congressman Pence supports:

*As talks of multibillion-dollar bailouts and stimulus packages continue in Washington, a brilliant idea has come from U.S. Rep. Louie Gohmert of Texas, R-Texas: a federal tax holiday. Backed up by our own Rep. Mike Pence, Gohmert's plan represents the kind of creative, thoughtful opposition that Republicans must offer during the Obama administration in order to once again gain the trust of the American people.*
